Dear Ms. Jewel,

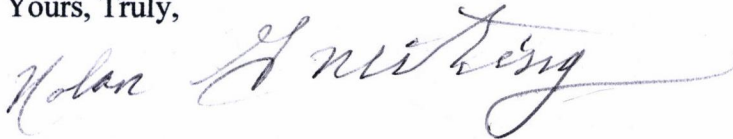

Morning View Water Company wishes to request a change to the Rate increase case that we submitted on May 2, 2016.

The change is as follows: Instead of a \$100 increase for each customer, we request a 100% increase for customers who live on one acre and ½ acre lots and we request a 50% increase for customers renting in the mobile home park.

The amounts are per month, \$98.96, \$81.88, and \$48.61 respectively.

Per a conversation with Terri Carrock this change is approved. Please attach this addendum letter to our application.

Yours, Truly,

Nolan Gneiting, President
